The Honorable Philip C. Habib
Acting Chairman
Standing Committee on Space Policy
Department of State
Washington, D. C. 20520

Dear Phil:

It would be helpful to me, and I believe to your Committee, if Admiral Daniel J. Murphy (my Deputy for the Intelligence Community) were included as a member of the NSC Standing Committee on Space Policy. Admiral Murphy now represents me in my overall responsibilities for the supervision and direction of the Intelligence Community, as well as supporting the Committee on Foreign Intelligence on policy and resource issues affecting intelligence activities. Additionally, he is responsible for those Intelligence Community elements that provide tasking guidance for intelligence collection, exploitation, and dissemination, an area of interest to your Committee. I propose that the Deputy Director for Science and Technology continue to represent the Central Intelligence Agency on the Standing Committee.

Sincerely,

George Bush
